## THE SHUMAN FAMILY....

Connie Bob, Bonnie, John and Ronnie...welcome you to the 1965 Colomeadow Shorthorn Sale.

## WELCOME TO COLOMEADOW

Once again it is my pleasure to welcome you to our annual sale at Colomeadow Farms. We hope all of our Shorthorn friends have an enjoyable and profitable visit.

We invite everyone to come on Sunday for a leisurely inspection of the sale cattle. For those interested, we will arrange for a trip to our Deer Trail Ranch and a look at our cow herd which contains 60 "AA" cows and a few "A" matrons.

We Shorthorn breeders have a great big story to tell in this ranch country. More and more ranchers are looking for a change, in order to increase their calf weights and improve cash income. Shorthorns have a lot to offer these people. Only 5 percent of this bull business would be more than we could supply.

Never before has quality been so much in demand. The breeder who raises the good ones will prosper.

Regardless of your intentions...to buy or to look...you are most cordially welcome.

John Shuman

Also welcoming Shorthorn friends are Mrs. Connie Shuman (Judy) with Robert Brian, and Mrs. Ronnie Shuman (Mary Ann) with Craig Franklin.

Last year they came from Texas,  
Ohio, Illinois, Iowa, Nebraska,  
Wyoming, Colorado, Kansas,  
Missouri, South Dakota and  
Canada....

We Cordially Invite  
You To Our  
Informal Social Hour.....

AT THE HOME OF  
*John & Bonnie*  
*Shuman*

At the Byers farm unit  
**BYERS, COLORADO**  
4 to 6 p.m.  
**SUNDAY,**  
**OCTOBER 3RD**

Come as you are

Pictured are some of our friends who attended last year's Colomeadow Sale.

I have been servicing Shuman Shorthorns for over 15 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Bang's tested or vaccinated and T. B. tested. Interstate health charts will be furnished and this sale offering will be eligible to travel anywhere.

S. F. Hanks, D. V. M.  
Strasburg, Colo.

Every Shorthorn breeder in North America, intent on finding the best seedstock, owes it to himself to attend a Shuman Sale.

Top herd sires...right in pedigree and sound in their make-up...have always been used. The cow herd has continually been strengthened with judicious selections from other reputation herds with the retention of the very best home-raised heifers.

The Colomeadow record at important shows and sales, their unequalled Type Classification score and their impressive record of performance results are unrefutable measurements of the herd's well deserved ranking as one of the nation's very top breeding establishments.

Come to Colomeadow on October 4th. The buying opportunities will be great. This sale can help make your improvement efforts more successful.

Bill Stunkel, Vice President  
The Shorthorn World

**Note:** "Chan Whitehead" is selling 10 Crossbred Calves suitable for 4H & FFA Shows. These calves will sell at 12:30 Sharp.

To avoid confusion, hand shipping instructions to clerk along with accurate information as to whom the pedigree is to be transferred.

## LIABILITY

The guarantee will constitute a contract between the buyer and seller of each lot. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneers, clerks or any other affiliated personnel can assume any liability for accidents.

# FREE DELIVERY

JOHN F. SHUMAN AND SONS WILL DELIVER FREE OF CHARGE -- TO CENTRAL LOCATIONS UP TO 1,000 MILES DISTANCE -- ANY PURCHASES MADE IN THIS SALE, AT A CONVENIENT DATE FOLLOWING THE SALE. INSURANCE FROM DATE OF SALE IS THE RESPONSIBILITY OF THE BUYER.

## The Colomeadow Family...

is anxious to make your visit here as enjoyable as possible. Call upon any one or all of us for concerned assistance--John and Bonnie Shuman, Connie Bob and Judy Shuman, Ron and Mary Ann Shuman at the Deer Trail Ranch.

## Come Early To See The Cattle

Come anytime, of course. Especially so early on Sunday, October 3. There will be informed personnel at the Byer's farm to show and talk about the cattle selling. There's a modern, new restaurant -- The Longhorn -- Byers and we know your party would enjoy Sunday dinner there.

### AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cow herds should be uniform, have size and be practically-maintained!

**ACADIA NAPOLEON 66TH** - Possibly the only horned "AAA" bull in the United States. He has had a glorious record to date both as a show bull and as a sire of show winners. We predict an even greater future for him and his offspring. His get averaged over \$1,000 in the 1965 Acadia Sale going to some of the best herds in the land. His calves in our 1965 sale averaged \$2012.50. Acadia Napoleon 66th has been branded the greatest son of the Internationally famous Kinellar Napoleon. His dam is a half sister to the great International interbreed grand champion steer, PS Troubadour. We own this bull in partnership with Acadia Farms, Northfield, Ohio, and M. A. "Buddy" Rambo, Temple, Texas.

A calfhood view of LOUADA PEERLESS. He has developed into a big, rugged sire like we hoped he would.

LOUADA PEERLESS - A bull that, in his two-year-old form, must be included in conversations about the great bulls of the breed. Even though an outcross bull for us, his first calves assure him a permanent court with some of our best cows. He seems to have the ability to stamp his offspring with great heads, correct skeletal structure and impressive size and doing ability. We have never been sorry that we went to the top price of the 1963 Louada Sale to own this good bull.

COLOMEADOW CONTROL, 1961 National Western Reserve Grand Champion and Ft. Worth Grand Champion, as he looks in working condition. This bull's influence for good has been tremendous.

A daughter was the American Royal grand champion in 1964... a son was the 1965 Southwestern Exposition (Ft. Worth) grand champion and his get also placed first... a daughter topped the Ak-Sar-Ben National Sale and another was the champion sale heifer at the National Western in 1964... a son was reserve champion sale bull at the 1963 National Western... Colomeadow Fanfair, the 1963 reserve grand champion at the American Royal and our last year's sale topper was a son. Control classified at the top of "AA". WE ARE PLEASED TO ANNOUNCE THAT M. A. KEYSTONE AMBASSADOR - Top-selling bull at the 1961 International Congress Sale where he was reserve champion sale bull. That same year he was grand champion at the Pennsylvania National and reserve junior champion at the Eastern National before placing second in his class at Chicago. This bull has come to the fore the last two years through the winning of his progeny at Colorado and Wyoming fairs. He is owned in partnership by Colomeadow and Chuck-O-Luck farms and his service and blood will feature the Tracy consignment to this sale.

# Chuck-O-Luck sells with us...

Chuck-O-Luck Farm, owned by the Dr. Don Tracy Family of Boulder, Colorado, is a good customer of Colomeadow-brand Shorthorns. We were especially anxious to have them sell cattle with us, this year, because we are proud of them and their achievement (even though they have often bested us in the show-ring). The Tracy family typifies how a Shorthorn herd can grow and succeed when good cattle are purchased and sound management is applied. They started in a small way, but have grown steadily. Pay special attention to their guest consignment.

**COLOMEADOW MR. TALISMAN** - The only bull in the United States sired by an "AAA" bull and out of an "AAA" female. No bull could have a better dam... Colomeadow Talisman 2d was a grand champion 15 times including the National Western in 1961. Her dam, Ringwell Orange Talisman, was twice an International champion. If we had not used so many white bulls in recent years, Mr. Talisman would remain at Colomeadow as a herd sire. We do want to retain a one-third interest in this bull and show rights through the Ft. Worth Exposition. Adjusted weaning weight at 200 days, 544 lbs. Grand Champion bull 1965 Colorado State Fair and Colorado State Show at Longmont, Colorado.

COLOMEADOW RANCHERO 2D - A good calf. Colomeadow Ranchero was many times champion for us and sold to Herb and Kenneth Dalton for \$1,700. This is a half brother, same dam, as the reserve grand champion steer in Denver in 1959, shown by Kenneth Dalton. We hope whoever gets this bull calf will fit and show him.

## It's A Recorded Fact....

At Denver, Kansas City, Ft. Worth, Douglas (Wyoming), and Omaha, Colomeadow show cattle have won championships in competition with the best herds of the land. The Grand Champion Female at the 1964 American Royal...the Reserve Champion and top-selling female at the 1964 Ak-Sar-Ben National...the Champion sale heifer and Reserve Junior Champion bull at the 1965 National Western..the Grand Champion bull at the 1965 Southwestern Exposition...10 firsts, Grand Champion bull, Reserve Grand Champion female and winning junior get at the 1964 Colorado State Fair...nine firsts, Grand Champion bull and female, Reserve Grand female and winning senior get at the 1964 Wyoming State Fair.....

## It's A Recorded Fact.....

Colomeadow Farms are members of the Colorado Beef Cattle Improvement Association. By recent comparison of registered calves weighed and recorded, Colomeadow Short-horns outweighed the average of ALL BREEDS 88 pounds on bulls and 95 pounds on heifers (adjusted to 200 days average weaning weight and to dam's age).

Quite an accomplishment for such a significant beef-producing state. It's in the record...and that's real proof of performance!

We aren't bragging...just want to show folks that Colomeadow Short-horns compare with the best and it's a recorded fact.

## It's A Recorded Fact.....

Every cattleman who sees our cow herd marvels at the herd's high flesh condition. This is not the result of a fattening ration but BRED-IN, NATURAL FLESHING.

## It's A Recorded Fact....

In order to have one more tool to work with in our attempt to breed the best Shorthorns, we asked Bob Heine to classify our herd. The result was overwhelming...

One "AAA" and two "AA" sires... a "AAA" female, 60 "AA" cows and 19 "A" cows. What other herd can boast such a record?

Classification points up a herd's strength and weaknesses. If you think it is a simple matter to rate an "AA" or "AAA" classification, we urge you to try. Our "AA" average is another recorded fact.

It is a recorded fact that our cows, weighed right off typical eastern Colorado native grass range at the time their calves were weaned averaged 1,205 lbs. per cow.

If you need to add more natural thickness and easy fleshing ability to your herd, Colomeadow Shorthorns can help you.

A few Colomeadow cows out on the range. Shuman cows are not pampered but their natural, bred-in fleshing qualities continue to amaze visitors.

# The End!

No! These great "ends" do not belong to the same bull. The rear quarter picture below is that of the great Ringwell Lodestar 2nd whose blood dominates our herd. The quarter above is that of our much talked-about Acadia Napoleon 66th.

Note the length of loin, depth and fullness of quarter and the obvious muscling of these two rear ends. Since 70 percent of the value of a beef carcass is in this section, Colomedow has always paid particular attention to rear quarters.

If you need to improve the rear quarters on your herd, then you'll want to come to this sale where a large number of heavy muscled, wide and deep rear ended bulls will sell.

## STANDARD GUARANTEE

1. **TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.
2. **LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.
3. **A -** Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

**B -** All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

**C -** With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

**D -** When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

**E -** All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

**F -** Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

**G -** Shipment will be made as soon as released, but at purchaser's risk of loss or injury after animal is bid off.

**H -** All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

4. **SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

5. **INSURANCE:** Coverage may be secured at the time of sale.
